Committed: 4-25-90  
Pulaski County Docket No. CR 90-36

Dear Judge Langston:

This is to certify that this is a true and correct report of the findings in the above case as derived from the following: 1) Historical data from outside sources; 2) Medical history, physical and neurological examinations; 3) laboratory and other physical studies; 4) Psychological assessment by staff psychologist; and 5) Psychiatric evaluation including direct psychiatric examination by the examining psychiatrist.
